COMPASS COURSE COMING UP!

Interdisciplinary course on sustainable conversion and urban regeneration

Compass free and online course “Interdisciplinary course on sustainable conversion and urban regeneration” is announced to start in October 2016. Find out [more](#) about this training opportunity!

..The course in a nutshell..

The course includes **80 hours of e-learning** activities from October and **field practice** activities from November 2016 to January **professionals** from Bulgaria, Italy, Croatia, Romania and Germany in September to participate to the course for free.

The course includes **8 training modules** on sustainable architecture and energy savings, urban planning and participation, sustainability, team building and management, business creation and GIS mapping. Field practice activities will vary from one country to another place in **Zagreb, Cluj, Rome, Berlin and Sofia**.

Candidatures will be open and further information on the course will be published at the beginning of **September** on our website: <http://projectcompass.jimdo.com/>

Compass is a European project promoting the development of sustainable conversion and urban regeneration through training. Based in 5 European countries, Compass includes activities of context analysis, dialogue with stakeholders, professional training and collaborative project ideas' development.
